Terms and Conditions

- Refusal.** Holidog reserves the right to refuse to accept a dog entirely at its discretion. Dogs are expected to be fully trained, domesticated and reasonably obedient. I will not normally accept puppies under 12 months old. I will not normally accept bitches in season or about to come into season. Your dog will live with me in my home as if the dog was my own.
- Health.** I prefer healthy animals but provided I have clear instructions concerning any medical condition I will happily accept dogs that I can manage reasonably.
- Application.** Please contact me by phone or email and in all cases complete these forms giving me as much information as possible about your dog. New customers; please understand that I may request proof of identity. **In all cases I need to meet you and your dog here prior to their stay.**
- Food.** Please provide all food for your dog and instructions regarding quantities and times of feeding.
- Sharing.** Experience suggests that temperate breeds such as Golden Retrievers and Labradors will be able to share with no difficulty. I reserve the right to accommodate more than one dog at a time but for longer stays I will not normally accommodate more than two dogs. If you have two or more dogs in your family that you wish me to have together there will usually be a small discount.
- Accompaniment.** Holidog does not guarantee that the dog(s) will be accompanied at all times. If your dog cannot be left alone safely indoors for up to four hours please do not use my services.
- Dog Tags.** I will place a Holidog dog-tag on all dogs that stay with me. Your dog's own tag may be temporarily removed.
- Alternative contact details.** Please provide a local contact person with whom I can communicate should there be problems if you are going to be too far away to contact easily.
- Diary.** I may keep a diary for the longer stay dogs (more than 4 days) which will be given to you on collection. This will normally include photos. If you do not wish me to put photos of your dog on my website please let me know before you leave your dog. However, these will not be added before your return.
- Charges.** All fees for accommodation with Holidog are payable in advance. Please ensure that cheques reach me in time to clear through the banking system or I may require a cash payment when you arrive with your dog at the beginning of its stay. Charges are normally per day or part day. So if for example your dog arrives with me on Sunday at noon and is collected on the following Sunday at around noon I will charge for EIGHT DAYS. If however the dog arrives after 6pm and/or is collected before 9am at the end of the stay I will charge on the basis of NIGHTS. So a dog arriving at 7pm and is then collected a week later at any time of the day up to 6pm will be charged for SEVEN NIGHTS.
- Cancellation.** I reserve the right to retain deposits and make charges for cancellations, but I will try to accommodate changes and may offer future discounts. Fair wear and tear is allowed but exceptional damage may result in an additional charge. **Cheques are payable to M A Sawers.** Experience suggests that I need to define at least three categories of dog and to set charges accordingly.
- Seasonal Variations.** Holidog may charge higher rates during special holiday times such as Christmas and New Year, Easter and Summer holidays. I will make the position clear upon application. I will not normally issue a receipt for a cheque payment but a receipt will be issued on request and for cash payments in all cases.

Category A. Any dog that is staying with me for recuperation or recovery and/or does not need or is not allowed much exercise. Or very elderly and doesn't walk much.

Category B. Any dog that will require one (or two) good walks every day in addition to access to the garden. Most dogs will fall into this category.

Category C. Any dog that will require two good walks every day, plus constant attention and supervising such as puppies and very active dogs. Please note: I would not normally take puppies under 12 months old.
